"The beautiful thing about learning is that no one can take it away from you."

Dear Readers,

As the academic year gathers momentum, the months of May and June have been a vibrant celebration of learning, achievement and holistic development at Madhusthali Vidyapeeth. Every activity during these months accelerated our students on the path of dual transformation—intellectual curiosity and emotional maturity. From inspiring morning assemblies and outstanding achievements in academics, literature and sports to wellness initiatives such as International Yoga Day, Environmental Awareness Drives, and meaningful social programmes, the students harnessed every opportunity to propel learning beyond classroom. With these experiences as our driving force, we move forward with our hearts full of purpose, ready to embrace the unfolding possibilities of the journey ahead.

SPECIAL ASSEMBLY

LABOUR DAY CELEBRATION

A special morning assembly on 2nd May 2026, on the occasion of Labour Day was conducted by Nilgiri House under the guidance of the House Master and House Mistress. The students of the middle section presented a meaningful skit highlighting the importance and dignity of labour and the need to respect every worker's contribution to society. The School Head Boy, delivered a short speech emphasizing the value of hard work, dedication and respect for all workers.

RABINDRA JAYANTI AND MOTHER'S DAY CELEBRATION

The school observed a special morning assembly on 9th May 2026 to celebrate Rabindranath Tagore Jayanti and Mother's Day. The programme featured a prayer, a poem recitation by the Junior Section students and an informative speech by the Senior Section students on Tagore's contributions and the significance of mothers in our lives. Ms. Konkana Debnath addressed the gathering, followed by a skit presented by the Middle and Senior Sections and a dance performance by the Middle Section students.

FELICITATION OF SILVERZONE SCIENCE OLYMPIAD WINNERS

The Special Morning Assembly on 15th May 2026 began with the morning prayer. The students were also wished a safe and enjoyable summer vacation and reminded to return to school on the scheduled reopening dates. The assembly also featured the felicitation of the Silver Zone Science Olympiad achievers, who were presented with certificates and medals by the Coordinators in recognition of their outstanding performance.

FELICITATION OF ATHLETES

The morning assembly was conducted on 18th June 2026 on a proud occasion as the school felicitated two students for their outstanding performances at the athletics meet organised by the Deoghar District Athletics Association, Deoghar. Arsalan Ali won a gold medal in the 200 metre race and a silver medal in the 100 metre race, while Naman Khandelwal secured a gold medal in the Under 16 Shot Put event with a throw of 9 metres.

YOGA DAY & FATHER'S DAY CELEBRATION

A Special Morning Assembly was held on 22nd June 2026 to celebrate International Yoga Day and Father's Day. The programme featured a Surya Namaskar demonstration by Tirthankar Chatterjee and Shreya under the guidance of Mr Suvendu, highlighting the importance of yoga for physical and mental well-being. Master Abhyanand delivered a speech expressing gratitude towards fathers for their invaluable role in our lives. In the Junior Section, a yoga session was conducted by the Foundational Coordinator and the Junior Activity Coordinator, followed by addresses by Ms. Annapurna on the benefits of yoga and Ms. Puja Tungaria on the significance of Father's Day.

WORKSHOPS & ORIENTATION

STAFF WORKSHOP ON EMOTIONAL WELL BEING AND ACADEMIC REVIEW

A staff workshop was conducted on 3rd May 2026 under the guidance of CEO Sir, focusing on emotional well being, teamwork and academic review. Through a series of interactive activities, teachers reflected on their emotions, appreciated one another's strengths and participated in trust building exercises that promoted cooperation and mutual understanding. The workshop concluded with an academic review led by the Headmistress, covering syllabus progress, copy correction and holiday homework.

MENSTRUAL HYGIENE AWARENESS WORKSHOP

On 27th June 2026, Madhusthali Vidyapeeth organised a Menstrual Hygiene Awareness Workshop for the girl students of Classes VI to VIII and their mothers as part of the UNESCO SDG Competition. The session, conducted by Dr. Ayushi Kalbalia, focused on menstrual hygiene, nutrition, healthy lifestyle practices, and breaking myths surrounding menstruation. The interactive workshop encouraged open discussions, enhanced awareness, and concluded with a question and answer session, leaving participants better informed and more confident.

SPECIAL ACTIVITIES

MOTHER'S DAY AND RED DAY CELEBRATION

On 9th May 2026, the school celebrated Mother's Day and Red Day with great enthusiasm. Students of the Foundational Stage brought a variety of red coloured objects and food items, while the Junior Section prepared handmade cards, photo frames and paper flower bouquets as gifts for their mothers. The celebration also honoured the mothers of Madhusthali Vidyapeeth, who were presented with flower bouquets and snacks packets as a token of appreciation.

FELICITATION OF DRAWING COMPETITION WINNERS

On 15th May 2026, the Headmistress felicitated the winners of the colouring and drawing competition held on 11th April 2026 for the Pre Primary and Junior Sections. Certificates were presented to the winners in recognition of their creativity and artistic talent. The teachers were also appreciated for their guidance and encouragement, making the occasion a memorable one for the school community.

CELEBRATION OF YOGA DAY AT MADHUSTHALI CAMPUS

On 21st June 2026, Madhusthali Vidyapeeth celebrated International Yoga Day with a one hour yoga session conducted under the leadership of CEO Sir and guided by Mr. Suvendu. Teachers and hosteller students enthusiastically participated in yoga postures and pranayama exercises that promoted physical fitness and mental well being. The programme concluded with refreshments and breakfast, making the celebration both healthy and memorable.

CAMPUS CLEANLINESS DRIVE

On 24th June 2026, the students of Classes VI and VII participated in a Campus Cleanliness Drive to promote environmental responsibility and support the school's plastic free initiative as part of a UNESCO Sustainable Development Goals activity. Under the guidance of the teachers, the students cleaned different areas of the campus and learned the importance of cleanliness and civic responsibility. The programme concluded with refreshments and an address by CEO Sir, who appreciated the efforts of the students and staff.

GENESIS – FRESHER'S WELCOME

On 29th June 2026, Madhusthali Vidyapeeth organised Genesis, the Freshers Welcome for the newly admitted Class XI students at the MITT Auditorium. The programme began with the ceremonial lighting of the lamp and a welcome address by the Headmistress. The event featured self introductions by the newcomers, cultural performances, the presentation of welcome cards by Class XII students, and musical performances by students. Respected CEO Sir addressed the gathering with inspiring words, encouraging students to pursue excellence with discipline and dedication.

INTER-HOUSE BASKETBALL COMPETITION

On 15th May 2026, Madhusthali Vidyapeeth organised an Inter House Basketball Tournament for Middle School boys of Classes VI to VIII. Nilgiri House emerged as the champions, Aravalli House secured the runner up position and Shivalik House finished third. The tournament concluded with a prize distribution ceremony, recognising the outstanding performances and sportsmanship of the participants. Later, on 28th June 2026, the school conducted the Inter House Basketball Competition for Senior Section boys and Middle and Senior Section girls. Aravalli House won the boys' championship, while Vindhya House finished as the runners up. The girls' final between Vindhya House and Shivalik House ended in a tie and was decided through a coin toss. The event concluded with a prize distribution ceremony attended by the Headmistress Ma'am, CEO Sir, Dean of Activities, Senior Coordinator and the sports teachers.

NURTURING COMMPASSION THROUGH COW FEEDING

On 27th June 2026 students of Classes III to V participated in cow feeding activity at the school Gaushala. The students of Class III brought chapatis and vegetables to feed the cows and learned the importance of kindness, compassion, and care for animals. Conducted under the guidance of the teachers and the Campus Administrator, the activity encouraged empathy, responsibility, and respect for all living beings.

YELLOW DAY CELEBRATION

On 27th June 2026, the Pre Primary Section celebrated Yellow Day with great enthusiasm and excitement. Dressed in vibrant shades of yellow, the young learners participated in a variety of engaging activities, including show and tell, creative craft work, and colouring exercises. They also enjoyed sharing healthy yellow snacks such as bananas, mangoes, sweet corn, and pineapples. The celebration helped the children strengthen their colour recognition skills through fun filled learning, making the occasion both educational and memorable.

AMAZING FACTS

OCEAN WONDERS

- The Pacific Ocean is larger than all the continents combined.
- A group of jellyfish is called a smack.
- The deepest part of the ocean, the Mariana Trench, is deeper than Mount Everest is tall.

DINOSAUR DISCOVERIES

- The T. rex had a bite force stronger than a lion's.
- Dinosaurs did not all disappear at once.
- Some dinosaurs had feathers, just like modern birds.

WORLD WONDERS

- The Great Wall of China is visible from space with the naked eye.
- The Eiffel Tower can be 15 cm taller during summer.
- Antarctica is the only continent with no permanent residents.

PLANT POWER

- Bamboo can grow up to 35 inches in a single day.
- Sunflowers can turn their heads to follow the Sun across the sky.
- The oldest known tree is over 4,800 years old.

ANIMAL SUPERLATIVES

- The peregrine falcon is the fastest animal, diving over 240 mph.
- A snail can sleep for up to three years.
- Elephants can communicate using low-frequency sounds that travel for miles.

SPACE EXPLORATION

- Neutron stars can spin up to 600 times per second.
- There is ice on the Moon in permanently shadowed craters.
- A day on Mercury (last 2,176 Earth days).

Keep exploring, keep learning, and keep being amazed by the world around you!

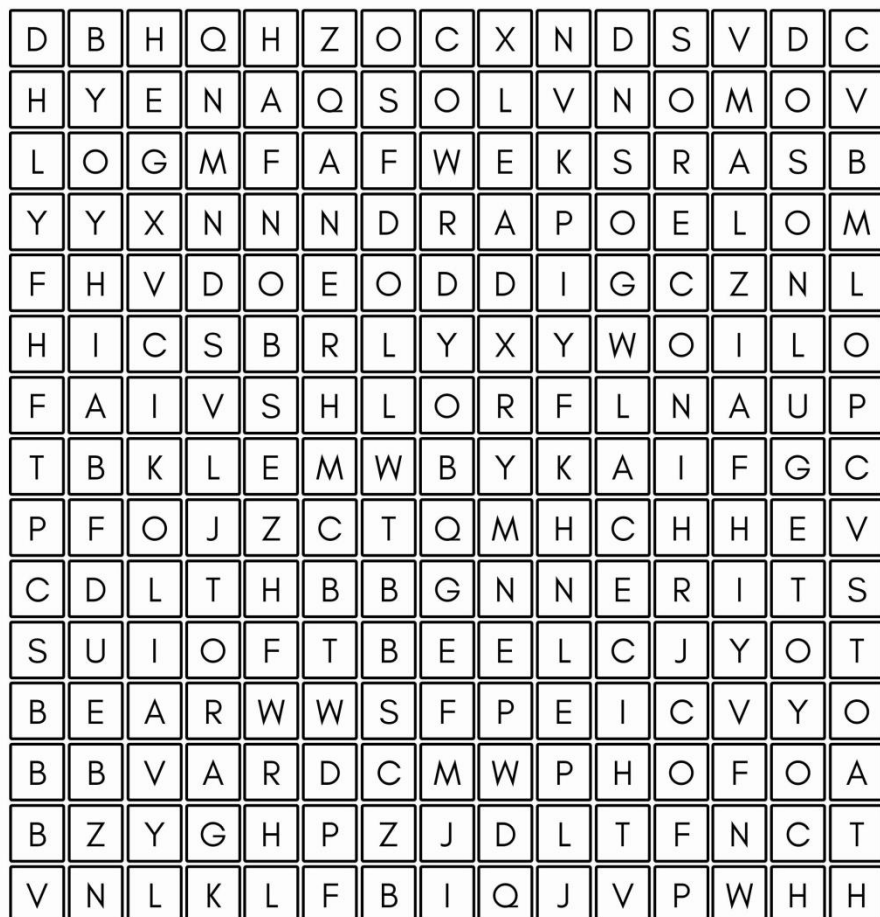

PUZZLE

IT'S A WILD, WILD WORLD

FIND THE WILD ANIMALS HIDDEN IN THE PUZZLE.

BEAR

BISON

COYOTE

ELK

FOX

HYENA

LEOPARD

LION

RHINOCEROS

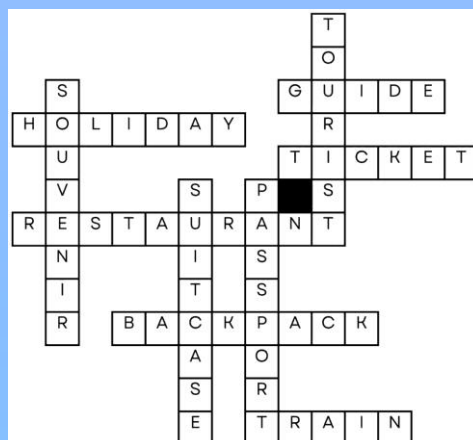

SANDCAT

STOAT

WOLF

Answer of previous Puzzle:

“

The small wisdom is like water in a glass: clear, transparent, pure. The great wisdom is like the water in the sea: dark, mysterious, impenetrable.

-Rabindranath Tagore
